

Here's How YOU Can Help Build the ARC!

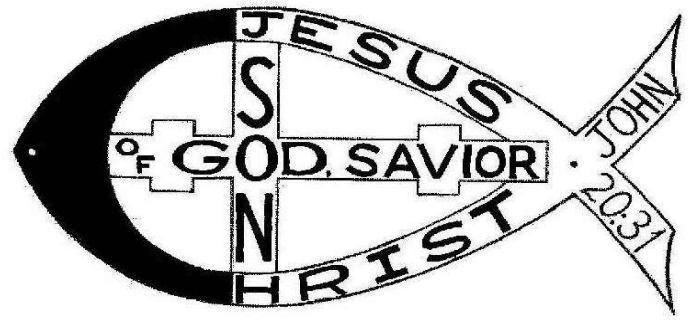

Maybe you're one of the few who **don't ignore**...

...instead you **care about** the neglected children, adults and elderly who have disabilities that keep them from taking part in daily activities with "normal" people: conversations, sharing mealtimes, going shopping, attending church services and more.

The **ARC – Agape Restoration Community** – is an accessible housing co-op where people with disabilities can live, come and go, gather and worship – all without stairs and other obstacles to overcome.

See how you can be a part of this movement to show Christian love for "*the poor, the maimed, the lame and the blind*" just like Jesus Christ did and like He taught His true followers to do: **GO TO -**

The sign of the fish is probably the most ancient symbol of the Christian confession of faith. In Greek, the word **ΙΧΘΥΣ** (fish) is an acrostic, in which each Greek letter stands for a word:

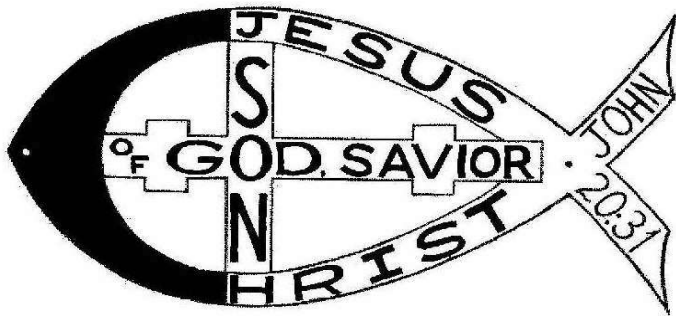

"Jesus Christ – God's Son, Savior"

...as the Apostle John wrote: "*But these are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life (Salvation) in His name*" – John 20:31.

In this way, when persecuted Christians in the first century met and drew a fish in the sand, they immediately recognized one another.

Jesus Christ commanded His disciples to bear their cross, follow Him and confess Him: "*Then He said to them all, 'If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me. For whoever desires to save his life will lose it, but whoever loses his life for My sake will save it. For what profit is it to a man if he gains the whole world, and is himself destroyed or lost? For whoever is ashamed of Me and My words, of him the Son of Man will be ashamed when He comes in His own glory, and in His Father's, and of the holy angels.'*" – Luke 9: 23-26
